

## The Entec promise

Your event has only one chance to be outstanding – you can trust us to deliver.  
Once clients use us once they tend to stay.

### Our people

- We believe in long term relationships not one-offs
- We have happy staff who are treated fairly – this means they will go the extra mile for you
- We only use the best freelancers most of who we have been working with for years. We treat them well - so you get the A team on your job - not those who cannot find work elsewhere
- Our staff turnover is low so you have continuity of service
- After 50 years there are few problems to overcome that we have not faced before

### Our approach

- We are independent and proud - not a cog in a bigger wheel - this means we care
- We do not quote low and then inflate with add-ons - we try to let you know everything upfront – 'what you see is what you pay'
- We deliver what you want and need - we listen and help - we do not offer you what suits us best
- We run our business to be sustainable and make a fair return - so we will be there for you whenever you might need us in the future
- We do not cut corners on insurance and safety. so you can be certain your event is in safe hands
- We like to innovate and solve problems. We are happy to share best practice and new ideas from our long experience and unrivalled network

### Our technology

- We have close relationships with manufacturers so we get the best service and support if we encounter any on-site issues
- We buy the best equipment and only after extensive consideration and testing
- We maintain equipment to the highest standard - so it is highly unlikely to fail when you need it
- We pack equipment so it can be used easily and quickly
- and of course, we produce nice T-Shirts that we like to share with crew and clients
